Subject: Citation

I have an email into MWRA asking for a clean copy of the ERP. The citation in 403 is as follows:

(3) If the Approval Authority does not notify the POTW within 45 days of its decision to approve or deny the modification, or to treat the modification as substantial under paragraph (b)(7) of this section, the POTW may implement the modification.

The would be a non-substantial modification and the entire language can be found in 403.18 reg at:

<https://www.law.cornell.edu/cfr/text/40/403.18>

Will send a formal response for your review after hearing back from MWRA
